Statement by Treasurer

The above statement of income and expenditure presents a true and fair view to the best of my knowledge. All financial decisions are carried out with the approval of the committee. The facts and records stated herein are true to the best of my knowledge.

We have maintained sound financial practices during my tenure. Due to certain legal restrictions, we were unable to deposit the collected amount into the bank account. We made every effort to open a bank account in the name of VKRA; however, due to missing legal documents, this could not be completed within the allotted timeframe.

Furthermore, there was no opening balance of cash in hand when I took charge as Treasurer. The records reflected a zero opening balance. Despite this, we have managed the association's funds prudently and, after meeting all expenses, have maintained a cash balance of ₹42,790.00. During this period, we successfully celebrated the Onam Festival 2024, providing gifts and fulfilling all the basic responsibilities of the association.

I sincerely thank all members for giving me the opportunity to serve as Treasurer of VKRA
